Boys Kidnap Mermaid

Four college boys carried off a mermaid at Marineland Monday, apparently as a prank, but returned her unharmed a few minutes later.

The mermaid, Julie Reding, Beverly Hills, told deputies she had just climbed out of a large tank where she performs when

one of the boys asked her for a date. She refused, she said, when the boy informed her that he and some friends would carry her to her dressing room because her costume prevented her walking.

Instead, she said, the boys carried her out to their car and drove around the area for a few minutes. While gone, they called Marineland and asked what a good mermaid was worth. When informed that she was valuable, the quartet returned her to the oceanarium.

Officials dismissed the incident as a college prank since Miss Reding reported she was not harmed in any way.

League Gets Assurances On Airport

Todd told the group that all runways and landing strips at the airport will be built west, toward Hawthorne Ave. Many Lomitans had expressed fears that the runways would be extended, toward Pennsylvania Ave.

L. E. Ross told the group that two bills relating to incorporation had been passed by one house of the state Legislature and were awaiting action in the other. Lomitans currently are pondering incorporation.

No development of Torrance Airport on the Lomita side is planned in the near future, Robert W. Todd, assistant man-

agement of the airport, told the Lomita Civic League. The League also voted to sponsor a minor league team being formed in Lomita.

The Sea Aire Stars will start a beginner's SQUARE DANCE for 15 weeks, Sat., May 18, 8 to 11 p.m. at Sea Aire Park Field House, Reynolds and Lupine Drive, Torrance. This group is sponsored by Torrance Recreation Dept. All are welcome. It will be closed to new dancers after four weeks. CLARENCE BARRON, caller, 5707 Clearside St., Torrance, FR 5-5939.
